## Lenten School of Theology

### God of Faith & Science

You are invited to join the annual Lenten School of Theology the first three Sundays in March from 6-8p @ St Stephen Lutheran Church (537 Bolton St, Marlborough). This year's topic is **God of Faith & Science**, an exploration of the relationships between faith & reason, religion & technology, God & creation. Each week we will be led through different topics by presenters who are leaders in each field:

† Mar 21—God & the New Social Media – Rev. Keith Anderson

What role do emerging technologies—internet, Twitter, Facebook—play in the mission of the people of God?

The Lenten School of Theology is presented by the Central Massachusetts Conference of the NESynod and is free of charge (although a suggested donation of \$5 @ registration is appreciated). Further information is forthcoming. Stay tuned.

**Girl Scout Silver Award Project:** We are working on our Girl Scout Silver Award. For our project, we will be filling shoeboxes with toys for children in the hospital with terminal or long term illnesses. We will wrap the boxes, fill them with toys, and then deliver them to the kids in the hospital. Our request is that you help us with our project by donating adult size shoeboxes and cheerful, colorful wrapping paper.

Please bring your donations by April 25th and place them in the box labeled "smile packages for sick kids" in the Donation Station in the Fellowship Hall. For more information contact Beth Adduci.
